Dear Mr. Hill,

The whole issue of half-truth and distortion which have characterized the Warren Report is about to be permanently ended. Epstein's book is a rattling one but non-sensuous effective. Linn's book will be out in two weeks. Someone named Weisberg has published one of his own in the New York Herald. Tom Jones in Philadelphia has a very creditable book and has done press. The Savage will be published in September.

Before you read another word you can easily guess my aim. I do want you to feel you might like being in my film. We have one that is whole and we have many citizens of Dallas on film and in my as well as thousands of feet of stock footage bought from films of stations in the northern zone.

Do answer this. Will you come up and let me film you here? We are a small, wretched little company but we are interested in one (S) of the events of the 21st. As I said earlier, I'm perfectly willing to give you a list of questions and not deviate from that list, I don't want you to find me any. I simply WANT YOUR VERSION OF the events of 1/12/63. History will write it that you told the commission and will our film.

Will you call me collect? CI6-4460.

Best wishes,

Emile de Antonio
